Adrian Willaert, *Laudate pueri Dominum*, SATB × 2

## LIST OF TRACKS

The recordings are to be found as MP3 tracks on [www.....](http://www.....)

The final column, ‘voices used’, refers to the normal voice sung by each singer, rather than the part sung in that particular piece. In that column, S means a boy treble, and A means a countertenor. (Sometimes, for example, the top line was sung by a treble reinforced with a countertenor for musical reasons.)

CHURCH	REPERTOIRE	PARTS	POSITION OF SINGERS	MICROPHONE POSITION	VOICES USED
1 San Marco	Monteverdi, <i>Salve regina</i>	2T + basso continuo	Two tenors in left (north) organ gallery	Ducal throne	2T + organ
